and 6,000 in the Senate.

Ir is stated that the money to Beecher had been up for some time build the flants Fe from Kansas City and did not wish to disturb him. to Chicago (\$15,000,000) is already so Becoming alarmed she made an atcored, contracts for building the road | tempt to arouse him, but could not do are aiready closed, and contracts for so. She called her son and daughter-110 first class locomotives are already in-law, they tried to rouse him. He

Tun Ingalis-haters, who commenced to break out against him after his S. Searle, the family physician was ealied in. He pronounced Mr. Beecher quite ill but did not apprefishery speech, have quieted down since his promotion to the Presidency of the Senate. They begin to think he is a good deal bigger man than they thought him to be.

the 8th, he breathed his last. The Nor a man from the solld South in funeral will take place to-day, and will be free of any display, for in his Congress voted for the dependent enough to keep still about it. It was flowers on my grave, but let no heathpension bill, but they were discreet own language he tells them to "strew

Congress voted for the dependent pension bill, but they were discreet enough to keep still about it. It was not necessary for them to talk hownever. There were plenky of northern doughhous ready to do their bidding. The country is quits an completely within the grip of the South as it was for a more of years previous to 1860.

TRE most important act of Congress to dade was the passing of the bill creating a Department of Agriculture. This bill provides for a Cabinet officer who shall represent the agricultural indecess of the country, the transfer of the weather bureau to the Department of Agriculture, and the general governmental oversight of everything that directly concerns the agricultural classes.

Concressman Otto of Alabamma, in referring to the President's veto of the dependent pension bill, and:

"That will make the Bouth soil of the general governmental oversight of everything that directly concerns the agricultural classes.

Concressman Otto of Alabamma, in referring to the President's veto of the dependent pension bill, and:

"That will make the Bouth soil again." But a decent regard for prudence may suggest that it will be just as well for the Democratic party not to display an excessive degree of exhausmence over the prospect, in view of the possibility that the voto may at the same time make also a solid North.

TRE hill for the removal of the capital that the north of the possibility that the voto may at the same time make also a solid North.

TRE hill for the removal of the capital that the same time make also a solid North.
